

Why Choose a Qualcomm Premier Plan?

Better care. Better service. Better value.

Qualcomm and Scripps have teamed up to provide you with better health coverage — and a better health care experience.

When you choose a Qualcomm Premier Plan, you'll have more than just great coverage. You'll enjoy signature benefits exclusive to Qualcomm employees, including concierge-level member support, a custom network, transparent pricing and expedited scheduling for doctor's appointments.

The **Premier PPO** and **Premier Qualified Deductible Health Plans** are both available to San Diego-based employees and their eligible dependents.

Your Premier Plan membership provides access to:

- Nearly 30 Scripps Clinic and Scripps Coastal Medical Center locations throughout San Diego County
- Expedited appointment scheduling for timely access to Scripps primary and specialty care providers for urgent medical needs

- 14 Scripps *HealthExpress* walk-in clinics
- Five Scripps acute care hospitals
- Four Scripps emergency rooms and several urgent care centers
- Rady Children's hospital, specialty care and select primary care providers
- Virtual care options, including video visits with your primary and specialty care providers
- Scripps MD Anderson Cancer Center
- SpineZone physical rehabilitation for back and neck pain
- Qualcomm Health Centers
- Select UCSD services
- Rethink, offering you access to board-certified behavioral therapists
- Lyra, an Employee Assistance Program
- 24/7 nurse navigator clinical support and advice
- Maternity benefits including the *MyScrippsBaby* pregnancy app, doula and lactation support
- Electronic health records access through MyScripps
- Health and wellness events such as physician lectures and webinars with Scripps medical experts
